### Notes:

- \* Identification of this horse/foal must be made by a qualified Veterinarian, who will at the same time, also take samples of hair for DNA purposes. This applies to Pure Breds only and not to geldings (proof required) and Part Breds.
- \* Foals must be identified before they are weaned and/or before they leave the Breeder, and before the age of twelve months, otherwise penalties apply.
- \* Colt foals recorded at any time as having been gelded will be considered as such and their status cannot be changed.
